

Butler County Conservation is seeking a Campground Host for the 2025 camping season. Hosts are needed for Shell Rock Park near Shell Rock.

This is a volunteer position and in exchange will receive a free campsite. The person serving as campground host will be required to undergo criminal, child abuse, and sexual offender background check.

Host can choose between working for the entire season or on a monthly basis.

Duties of the campground host include

- Provide assistance to those using the park
- Accept and relay questions/comments to staff
- Provide handouts, brochures, and literature
- Check and clean restroom facilities
- Assistance with camper registration
