NOTICE

The Butler County Engineer's Office is seeking public input as a part of a Revitalize Americas Infrastructure with Sustainability and Equity (RAISE) grant application. In 2025, the U.S. Department of Transportation will award \$3 billion in RAISE grants to support critical infrastructure projects across the country. RAISE is a nationally competitive grant program that provides additional transportation infrastructure funding to those who apply.

Butler County is acting as lead applicant for a 7-county, \$25,000,000 bridge replacement project and is seeking public input for the application.
