

Environmental Health report to the Board of Health
December 13, 2022

Auditor Revenue & Expense Reports attached

22-23 Fiscal Year Well Program:

Water tests: 52 (compared to 49 at this time last fiscal year)

Well permits: 7 (11 last fiscal year)

Well closings: 6 (9 last fiscal year)

Rehabilitated: 6 rehabs (5 last fiscal year)

Grant amount is \$50,505 this fiscal year and there is approximately \$34,612.73 remaining.

Septic

Permits: I issued 101 permits in 2022 compared to 70 permits at this time last year. *(I'd be at 68 permits without the water infrastructure grant)*

33 for New Construction, 20 failing/illegally discharging, 22 for ToFT, 24 for the water infrastructure grant and 2 for camper/tiny home (recreational).

Online permitting

I am in the process of testing the online septic permit application and hope to have that finalized soon.
