### Enhancing Partnerships Between EMS personnel and Athletic Trainers!!!!

Don't miss this opportunity to learn how to bridge the gaps between Athletic Trainers and EMS Providers with Instructor, Tricia Schrage, EMT and UNI Professor with the AT Program.

- This class is open for all who wish to attend! EMS providers, Athletic Trainers, and Coaches... You will **NOT** be disappointed!!!
- Improve your athlete's health and well-being.
- Hands on equipment removal training!
- Discuss the importance of pre-event medical meetings and why they are important!
- Just cannot STRESS ENOUGH how IMPORTANT this class is.

**As in the past, this class will be offered two times to accommodate busy schedules! It is worth 3 CEH's!!!**
